Cambridge University Hospitals NHS Foundation Trust and its campus partners believe passionately in the Cambridge Biomedical Campus being a healthy place to work and benefit from. Live and Work Well is our campus-wide campaign of events, promotion and activities designed to support, educate and improve the health of our campus community. You can find out more by visiting www.cuh.org.uk/liveandworkwell

Walk Local is funded by the Department of Health and delivered by Cambridgeshire County Council in partnership with a number of organisations. Our objectives include reducing physical-activity-related health inequalities in Cambridge.
